9 DAY RONGAI ITINERARY (7 days on the mountain)

DAY 1 - ARRIVAL TO MOSHI

Arrive at Kilimanjaro Airport, where a Local Moshi representative will meet you and transfer you to your hotel in Moshi. Equipment check.

DAY 2: NALE MORU ENTRANCE TO SIMBA CAMP

After breakfast, meet your porters, complete registration formalities at the Ranger's Office, hike begins from Nale Moru (1950m) through farmland and maize fields, then rainforest, home to a variety of wildlife. The path climbs steadily; the forest thins out and turns into moorland zone with great views of the Kenyan Plains before arriving at Simba Camp (2700m).

- Trekking distance: 8 kilometers
- Trek time: Around 4 hours
- Environment: Montane forest
- Elevation: From 1950 meters to 2700 meters

DAY 3 - FROM SIMBA CAMP TO KIKELEWA CAMP

Leaving Simba Camp the trail leads westwards going steadily upwards thru heath and moorland zone. Lunch stop is at Second Cave (3450m) After lunch the path continues gently upwards past a canyon, dry river beds and slowly decreasing vegetation until Kikelewa Camp (3600m) appears in the distance. The tents are situated on a hill. On a clear day you will find the mighty Kibo towering behind you, and have beautiful views of the Kenya Plains and villages, 3600m below.

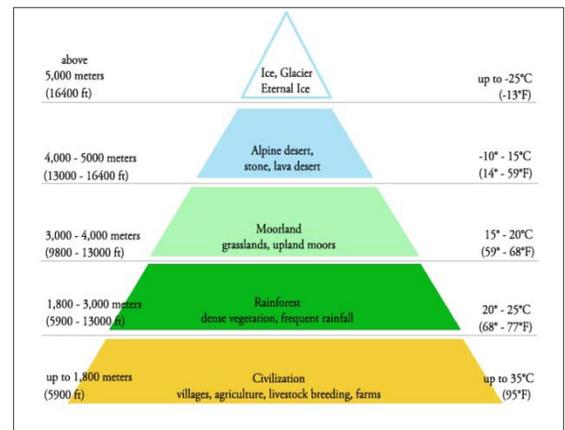

- Trekking distance: 9 kilometers
- Trek time: 6 to 7 hours
- Environment: Moorland
- Elevation: From 2700 meters to 3600 meters

DAY 4 - FROM KIKELEWA CAMP TO MAWENZI TARN HUT

Day four is fairly short. Although a steep day, occasionally steep enough for a possible hand scramble, you'll be rewarded by excellent views. The landscape slowly changes from moorland vegetation of long grasses and heath to everlastings and other robust plant species. After 3-4 hours of hiking, you will reach Mawenzi Tarn Hut (4330m) your surroundings now being a rocky, craggy and misty mountainscape.

- Trekking distance: 6 kilometers
- Trek time: Around 4 hours
- Environment: Moorland
- Elevation: From 3600 meters to 4330 meters

Kilimanjaro Climate Zones

DAY 5 - ACCLIMATIZATION DAY AT MAWENZI TARN HUT

We will spend a full day at and around Mawenzi Tarn Hut. A mid-day acclimatization hike, exploring the area, will briefly take you to higher altitude, before returning to Mawenzi Tarn Hut. "Climb high, sleep low" is part of the acclimatization process.

- Environment: Moorland
- Elevation: From 4330 meters

DAY 6 - MAWENZI TARN HUT TO KIBO HUT

Today's hike will start of steep, and begins to flatten as you walk across the saddle between Mawenzi and Kibo Hut (4750m). Slowly the landscape begins to resemble more of a moonscape as all vegetation, with the exception of a few Everlastings clinging on to life, has completely disappeared. Kibo Hut will be your final camp before your summit bid starts around 0100 in the morning.

- Trekking distance: 9 kilometers
- Trek time: Around 5-6 hours
- Environment: Alpine desert
- Elevation: From 4330 meters to 4750 meters

DAY 7 - KIBO HUT TO UHURU PEAK TO HOROMBO HUT

Starting around midnight – 0100 in the morning, the path leading to the crater rim starts directly behind Kibo Hut, reaching Hans Meyer Cave (5151m) about 2.5 hours later. Here it starts to zigzag across volcanic scree up the crater rim until reaching Gilman's Point (5680m), then continuing past stunning glaciers and ice cliffs alongside the crater rim, leading to Stella Point (5752m) followed by Uhuru Peak (5895m). From here you decent for lunch at Kibo Hut, then continue descending to Horombo Hut, where you will spend your last night on the mountain.

- Highest point: 5895 meters (Uhuru Peak)
- Trekking distance: 22 kilometers (6 kilometers ascent / 16 kilometers descent)
- Trek time: 10 to 13 hours (6 to 8 hours ascent / 4 to 5 hours descent)
- Environment: Alpine desert/Volcanic scree/Ice-capped summit
- Elevation: From 4750 meters to 5895 meters to 3720 meters

DAY 8 - FROM HOROMBO HUT TO MARANGU GATE

The descent from Horombo is gentle in comparison to the previous day and you get to enjoy beautiful scenery, from Dendrosenecio kilimanjari trees, heath and moorland, tussock grasses and heathers, to rainforest, once more. Mandara Hut (2700m) will be your lunch stop before reaching Marangu Gate. Return to Moshi.

- Trekking distance: 18 kilometers
- Trek time: 5 to 6 hours
- Environment: Montane forest
- Elevation: From 3720 meters to 1980 meters

DAY 9 - DEPARTURE

After a well-deserved rest in a comfortable bed in your hotel, we will drive you to Kilimanjaro Airport for your return flight.

Our preferred hotel accommodations in Moshi are Keys Hotel, Panama Garden Resort or similar. If our preferred hotel is not available at the time of your booking, we will be informing you of the alternative choice.
