## 5 DAYS ON SAFARI

Including Tarangire National Park, 3 Days in Serengeti, Ngorongoro Crater

### DAY 1 – TARANGIRE NATIONAL PARK

After breakfast drive to Tarangire National Park. One of Tanzania's smaller parks, Tarangire draws less visitors. The Park contains large elephant herds and is home to three rare animal species - the Greater Kudu, the Fringed-eared Oryx and a few Ashy Starlings. Start mid-morning wildlife drive, picnic lunch, continue wildlife drive. Late afternoon drive for overnight in your lodge/camp.

### DAY 2 – SERENGETI

After breakfast start driving to Serengeti NP. The high diversity of habitats in Serengeti, ranging from forests, rivers, grass- and woodlands sustain many different animal species from approximately 70 larger mammals to some 500 bird species, it is host to millions of animals altogether. Afternoon wildlife drive in Serengeti. Continue to your lodge/camp for overnight.

### DAY 3 – SERENGETI

After breakfast, morning wildlife drive in Serengeti. Picnic lunch, continue wildlife drive. Late afternoon return for overnight in your lodge/camp.

### DAY 4 – SERENGETI, OVERNIGHT AT NGORONGORO CRATER

After breakfast, early morning wildlife drive in Serengeti, picnic lunch, start driving toward Ngorongoro Crater to your lodge/camp for overnight.

### DAY 5 – NGORONGORO CRATER

After breakfast drive to Ngorongoro Crater the world's largest intact caldera and natural World Heritage site. At the crater's base, the crater walls offer a dramatic backdrop and an abundance of wildlife. Start early morning wildlife drive. Picnic lunch, continue wildlife drive. Late afternoon drive to JRO Airport. End of services.

*An extra night in the hotel before/after your safari can be added at an additional cost*
